

# TEXT OF PROPOSED LAWS (CONTINUED)

## PROPOSITION 74

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure amends sections of the Education Code; therefore, new provisions proposed to be added are printed in *italic type* to indicate that they are new.

## PROPOSED LAW

### SECTION 1. Title

This measure shall be known as the “Put the Kids First Act.”

### SECTION 2. Findings and Declarations

(a) California children deserve the best teachers available.

(b) Teachers currently are granted permanent employment status after only two years on the job. Experts believe that a teacher’s ultimate potential and skill level cannot be fully assessed within just two years.

(c) Teacher assignments are based more on teacher seniority and tenure rules than on the needs of the students, depriving students of the best available educational experience.

(d) Once a teacher has permanent status:

(1) Union negotiated rules often require them to be assigned to positions by seniority rather than the needs of the students or best interests of a school.

(2) Teachers can usually be replaced, no matter how talented the replacement, only after a lengthy appeals process costing upwards of \$150,000.

(e) There is an immediate need to give greater flexibility in the assignment of teachers in order to provide students with the greatest educational opportunity.

### SECTION 3. Purpose and Intent

In enacting this measure, it is the intent of the people of the State of California to ensure that the needs of students will be given high priority in the assignment of teachers.

SECTION 4. Section 44929.21 of the Education Code is amended to read:

This subdivision shall apply only to probationary employees whose probationary period commenced prior to the 1983–84 fiscal year.

(b) Every employee of a school district of any type or class having an average daily attendance of 250 or more who, after having been employed by the district for two complete consecutive school years in a position or positions requiring certification qualifications, is reelected for the next succeeding school year to a position requiring certification qualifications shall, at the commencement of the succeeding school year be classified as and become a permanent employee of the district.

The governing board shall notify the employee, on or before March 15 of the employee’s second complete consecutive school year of employment by the district in a position or positions requiring certification qualifications, of the decision to reelect or not reelect the employee for the next succeeding school year to the position. This subdivision shall apply only to probationary employees whose probationary period commenced during the 1983–84 fiscal year or any fiscal year thereafter.

The governing board shall notify the employee, on or before March 15 of the employee’s fifth complete consecutive school year of employment by the*

Within 30 days of receipt of the notice of dismissal, the employee may request an administrative hearing which shall be conducted pursuant to Section 44944.*

### SECTION 6. Conflicting Ballot Measures

In the event that this measure and another measure or measures relating to teacher tenure shall appear on the same statewide election ballot, the provisions of the other measures shall be deemed to be in conflict with this measure. In the event that this measure shall receive a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and the provisions of the other measures shall be null and void.
